

High Island

High Island is on the coast just off Hwy. 87. It can be reached by taking I-10 east from Houston, taking the Winnie exit, then going south on Hwy. 124 to the town of High Island.

Another option is to use the free Galveston - Bolivar ferry and proceed up the coast on Hwy. 87. Turn left onto Hwy. 124 after approximately 30 miles. Turn right onto 5th St. to visit Boy Scout Woods. Follow the map to the other 3 High Island sanctuaries.
